A group of students is seated in a lecture hall, facing a lecturer. The students are mostly young women with long hair, wearing dark clothing. They are seated in rows of red upholstered chairs. The lecturer is a woman with dark hair, wearing a blue long-sleeved top and dark pants, standing at a desk and holding a piece of paper. The desk has a laptop, a keyboard, and other equipment. The room has large windows with white, wavy-patterned curtains. The walls are partially covered with red curtains.
